

Confidential Medical Information

Confidentiality is a top priority for GLC-OP and you will learn more as you review your HIPAA agreement and our release and disclosure form. This section indicates that you understand the following:

I understand that information regarding my child will only be shared with other individuals, agencies or organization with my written permission. Exceptions are:

1. Suspicion or report of child abuse or neglect
2. Suspicion or report of danger to the patient or others
3. Information is ordered by the court
4. Laws requiring GLC to release information related to certain disabilities considered an interest in public health
5. Review by governmental oversight or accreditation agencies (e.g. audits, inspections, license renewals, etc.).

I understand that professionals, potential clients, staff, and other interested parties will occasionally be coming through GLC-OP to see the program, setting, and children at which time my child will be observed in this environment.
